Sir:

Re: S.W.¼ 12-74-11 W. 6th Meridian.

An application for the issuance of patent or notification has been received from the homestead entrant of the above mentioned quarter section, Mr. Edward Middleton Hone, and upon examining Ottawa File No. 4231069 in connection therewith, I find a memorandum dated the 21st of March 1928, a copy of which is herewith enclosed. From this memorandum it would appear there is outstanding against the above mentioned quarter section seed grain indebtedness. There is nothing on file to show the discharge of any seed grain liens.

I wonder if you would kindly have a check made of your records and advise me accordingly if the seed grain indebtedness in question has been written off.

I may say that I am advised by Mr. J. M. Keaton, Officer in Charge of Seed Grain and Relief Branch, Department of Municipal Affairs, that there is no seed grain indebtedness against this land. As you are no doubt aware the Department of Municipal Affairs has a record of all Ottawa or Provincial seed grain liens against lands throughout the Province, however in view of the information contained in the enclosed memorandum I am withholding the issuance of notification awaiting your reply.

Dear Sir:

Re: S.W. 12-74-11-W.6th.
Your file No. 4276.

We have your letter of the 31st of May, 1954, informing us that you have obtained the title to the above land on behalf of Mrs. Elsie L. Bone, the present owner, and that there are no federal liens registered against it. As you are aware our original security for the account of Edward Bone was certain land in Saskatchewan and our liens are still registered against this land.

However, as Mrs. Bone is not the owner of the land in Saskatchewan and we have no liens registered against the S.W. 12-74-11-W.6th there is apparently no security for our account as far as she is concerned.

We shall, therefore, try to collect the indebtedness from the owners of the secured land.

Re: Account of Edward Bone
S.H. 16-1-15-W3

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $272.85 were advanced to Edward Bone on the security of the S.H. 16-1-15-W3. A payment of $200.00 was received in 1953 and applied to the interest. Under authority of Order-in-Council P.C. 13/2 dated the 7th of January, 1954, the S.H. 16-1-15-W3 was released as security for the liens on the payment of $200.00. The balance of the indebtedness was since remitted as a charge against the S.H. 16-1-15-W3 and the present standing of this account is:-

Principal	Interest	Total
$272.85	$322.54	$595.39

The S.H. 16-1-15-W3 was formerly the pre-emption entry of the debtor whose entry was later cancelled.

According to an Abstract of Title dated the 9th of December, 1954, the S.H. 16-1-15-W3 now stands in the name of Hazel Geraldine Mitchell, clear of any encumbrance.

As the liens were never registered against the S.H. 16-1-15-W3 and there is no further security for our advances, it is recommended that the balance of the indebtedness be cancelled.

Dear Sir:

Re: Estate of John Guerrier, Dec'd
S.E. ¼ 24-49-4-W.5th
S.W. ¼ 24-49-4-W.5th

This refers to your letter of January 27th last, headed as above, asking what information may be on our files with regard to the nature and value of any improvements as may have been created by the deceased in order that notification of Title duly issued in his name.

In reply we wish to say that we have no record of the above described parcels of land. We take it that Range 4, quoted above, to be an error.

We have record of the S.½ of 24-49-3-W.5th meridian. This parcel of land was formally the unpatented Homestead and Soldier Grant Entry of the late Mr. John W. Guerrier. Patents to this parcel of land issued in the name of the Soldier Settlement Board by the Department of Interior in December 1929. However, we regret to say that we have not the information on our file that you desire.

It is possible that the information is contained on the files of the Department of Northern Affairs and National Resources, to which the Department of Interior and accordingly we are, by a copy hereof, referring your letter to that Department.

Yours truly,

Dear Sir:

Re: Estate of John Guerrier, Dec'd
S.E. ¼-4-4-4-W.5th
S.W. ¼-4-4-4-W.5th

It is advised that the Public Trustee has now applied for a grant of Letters of Administration to the estate of the above, late of the District of Linnale in this Province, who died on the 12th day of November, 1955, and who at the time of his death was the duly registered owner of the abovementioned property.

It would appear from information contained in the Land Titles Office records that no values have been established of the existing titles which would in some way indicate that at least one or both may been obtained by the deceased by way of Homestead Entry or Pre-emption Grant.

It would therefore be very much appreciated if we might now be informed as to what information may be on your file with regard to the nature and value of any improvements as may have been created by the deceased in order that notification of Title duly issued in his name.

Yours truly,

T. L. Sollows,

Sir,

You were advised by letter from the Commissioner of Indian Affairs, dated 9th December, 1910, that you had been allowed to purchase the South half of Section 10, Township 10, Range 10, West, at the rate of $3.00 per acre, under the ordinary homestead terms.

The records of this office show that you have furnished the necessary proof, and a receipt and certificate have been issued by the Department that it would be issued immediately upon receipt of your application to purchase the land. It would seem that you have not complied with the terms and conditions upon which you were allowed to make a purchase of the land.

I am to inform you that unless you shall within thirty days from the date hereof show cause why your entry should not be cancelled, the same will be cancelled.

Your obedient servant,

Sir:

Re SW 9-75-2 w 6

A charge has been created under the Soldier Settlement Act against the land mentioned above, which land did not pass to the Province under the Natural Resources Act, and it is proposed to issue letters patent therefor.

As the records of this Department have now been transferred to the Province, it is necessary to obtain information from your office as to this land, particularly with reference to roads, railway right-of-way and patented parcels, if any.

In case your records disclose any particulars under these heads, would you be good enough to fill out the enclosed memorandum, which has been prepared with the object of lessening clerical work in your office. Only those points have been included in the memorandum which are essential to enable this office to proceed with the issue of patent.

Where there is nothing to report, it will be sufficient to return the memorandum with the word "nil" endorsed thereon.

Your obedient servant,

H. S. Hum,
